Case No. 18-113267-S

MOTION FOR ISSUANCE OF THE MANDATE

Appellant the State of Kansas moves for this Court to issue its mandate in this appeal.

On June 14, 2019, this Court filed an opinion holding that the State had substantially complied with this Court’s orders that required it to bring the K-12 public education financing system into compliance with the adequacy requirement of the state constitution.¹ *Gannon v. State*, 309 Kan. 1185, 1186, 1200, 443 P.3d 294 (2019) (*Gannon VII*). But because the approved remediation plan involved a series of funding increases to be phased in through the 2022-2023 school year, this Court “retain[ed] jurisdiction to ensure continued implementation of the scheduled funding.” *Id.* at 1201.

¹ The Court had previously held that the “constitutional infirmities regarding equity identified in *Gannon V* have been corrected.” *Gannon v. State*, 308 Kan. 372, 398, 420 P.3d 477 (2018).

Because the 2022-2023 school year ended on June 30, 2023, and “all planned funding has been phased in successfully,” *Gannon VII*, 309 Kan. at 1201, this Court should now issue its mandate and release jurisdiction of this appeal.

Respectfully submitted,

OFFICE OF ATTORNEY GENERAL
