J. Reporting abuse or neglect

The program must develop a policy which states when CASA volunteers should report incidents of suspected child abuse or neglect to DCF or law enforcement or situations in which the child is believed to be in imminent danger.

Documentation of any reports made by CASA volunteers must be filed in the case file.

K. Required in-person contact with child

Programs must develop policies that require volunteers to submit monthly contact reports to document in-person contact with their assigned child(ren) once every thirty (30) days at a minimum. An exception may be granted by the program if a

CASA volunteer is unable to meet with the child. The exception must be documented on a form provided by OJA.

L. Confidentiality

The program must require CASA volunteers to maintain confidentiality for assigned cases. The CASA volunteer must:

1. take an oath of confidentiality upon completion of pre-service training to be retained in the volunteer's file,
2. sign the Kansas Judicial Council's Oath of Court Appointed Special Advocate specific to each case assigned to be retained in the case file, and
3. sign a statement of confidentiality every four years to be retained in the volunteer's file.

M. Inactive status

CASA volunteers who are not assigned to a case are considered inactive. The program must develop policies pertaining to inactive CASA volunteer status, including the decertification of CASA volunteers who have been inactive for a year and circumstances under which a volunteer would have to be retrained. The program executive director may grant an exception to decertification of an inactive volunteer. If an exception is granted, the justification must be documented. A CASA volunteer may not be inactive for more than two consecutive years. Inactive volunteers must complete annual continuing education as required in section II.E.

N. Suspension for a crime pending resolution

The program must develop policies about suspension of volunteers due to crimes pending resolution. A CASA volunteer's certification must be suspended if the CASA volunteer is arrested for, charged with, or convicted of a crime. If the program is made aware that a volunteer is under investigation for a crime listed in section I.E.2, the volunteer's certification must be suspended. The volunteer must remain suspended pending resolution of the case. If convicted of a crime listed in section I.E.2., the volunteer must be removed from the case and decertified immediately. If convicted of any other crime(s), the volunteer may be decertified.

O. Transfer

The program must develop policies about the transfer of a volunteer to another program. A CASA volunteer who transfers to another CASA program must complete the full application and screening process, and a minimum of four hours of local training as outlined in section II.B.14. A copy of the CASA volunteer's file must be sent to the receiving program. After the receiving program completes the certification process the transferring program must decertify the CASA volunteer.

P. Decertification

The program must establish policies and procedures for CASA volunteer decertification. The request for decertification must be sent to OJA on a form provided by OJA within fourteen (14) days of the volunteer's resignation or termination. OJA must provide the program with notification that the volunteer has been decertified. Documentation of decertification must be retained in the volunteer's file.

V. COURTESY CASA APPOINTMENT

A. Intrastate assistance

CASA programs may provide intrastate courtesy advocate assistance to Kansas CASA programs. The appointed courtesy advocate must comply with the policies and procedures of their certifying CASA program.

B. Memorandum of Understanding

If a program director finds that an intrastate courtesy CASA is appropriate, the program where the case originated and the program where the volunteer was certified must complete a memorandum of understanding which states:

1. the program in the jurisdiction where the case originated is using a volunteer from another program;
2. the courtesy CASA volunteer must be appointed to the case in the jurisdiction where the case originated;
3. the program in the jurisdiction where the case originated is the only CASA program that may have access to any files or information related to the case unless other orders are made by the court;
4. the courtesy CASA's casework will be supervised by the program in the jurisdiction where the case originated, and;
5. the program in the jurisdiction where the case originated will count the case and the volunteer in their statistics until the courtesy CASA is discharged from the case.

C. Interstate assistance

CASA programs shall not request or provide courtesy advocate assistance to CASA programs outside of Kansas.

VI. CERTIFICATION OF THE CASA PROGRAM

C. Written certification report

OJA must issue a preliminary written certification report to the program executive director and the president of the board of directors following the site visit. OJA may provide the preliminary report to the chief judge or their judge designee. Programs that disagree with the preliminary report have fifteen (15) days to provide written objections to OJA before it is finalized. The final certification report must be issued following the expiration of the fifteen (15) day discussion period.  - b. does not meet standard.
2. Any items which do not meet standards must be explained in a narrative section. The explanation must include the tasks to be done in order to upgrade the rating. The program has fifteen (15) days from the date of the final report to submit a program improvement plan (PIP). The PIP must include steps to correct items that did not meeting standards along with a timeframe for completion. OJA must approve the PIP. OJA may schedule additional audits to review the implemented improvements.

The notice must include a recommendation that an Order discharging a CASA volunteer be issued in all cases where a CASA volunteer has been appointed or assigned to a child. Upon certification revocation, the program must cease all operations, including fundraising, CASA volunteer training, CASA volunteer contact with children, and any other activity by which the program holds itself out to be a certified program. The certification revocation must not prohibit any person from appearing in court pursuant to a lawful subpoena. The program may apply for recertification following resolution of the items identified in the program improvement plan. Program employees, the chief judge or the chief judge's judge designee, and the president of the board of directors may engage in activities necessary to complete the certification process.

 - a. If the program improvement plan is accepted, OJA must monitor the plan's progress. OJA may revise or extend the program improvement plan.
 - b. If OJA requests revisions to the program improvement plan, the program must submit a revised plan within 15 days of the request. If a program does not submit a revised plan as requested, a program evaluation must be initiated.
8. If the program does not submit a program improvement plan, a program evaluation must be initiated.
9. If no improvements are implemented, or if the improvements are determined to be inadequate, certification may be revoked. Notification of the revocation of certification must be sent to the program executive director, the chief judge or the chief judge's designee, the president of the board of directors, and the executive director of the Kansas CASA Association.
